

# Electricity & Safety Unit - Lesson 1

## Teachers Notes - Lesson 1 - Slide 1

### Unit Overview

This first interactive whiteboard lesson is designed to complement the following lessons from the Electricity & Safety Unit Year 6 lesson book.

Lesson Sequence	Overview
1. What do we know about electricity?	A lesson to capture students' interest and determine what students know about electricity using a KWL chart.
5. Electricity generation and transmission	A lesson to discuss and investigate the generation and movement of electricity.
6. Exploring electrical circuits	<p>A lesson to provide opportunities to simulate electrical circuits.</p> <p>Providing a hands-on shared investigation of the creation of electrical circuits.</p> <p>Students apply their understanding of electrical circuits.</p>
